2.1 PURPOSE: TO PRE-QUALIFY VENDORS

The purpose of this solicitation is to pre-qualify vendors for future pricing competition. This initial solicitation provides for the submission of documents and forms intended to verify that the vendor meets or exceeds the minimum criteria set forth in this solicitation. All vendors which meet or exceed the criteria established in this solicitation shall be placed on a Pre-Qualification List that may be accessed by County departments in order to obtain price quotations for the provision of chemical feed and disinfection systems, parts and accessories.

For certification information, contact the Department of Business Development at 305-375-3111 or access www.miamidade.gov/dbd.

The SBE/Micro Business Enterprise must be certified by bid submission deadline, at contract award and for the duration of the contract to remain eligible for the preference.

2.3 PRE-BID CONFERENCE
INTENTIONALLY OMITTED

2.4 TERM OF CONTRACT: FIVE (5) YEARS

This contract shall commence on the first calendar day of the month succeeding approval of the contract by the Board of County Commissioners, or designee, unless otherwise stipulated in the Notice of Award Letter which is distributed by the County's Department of Procurement Management, Purchasing Division; and contingent upon the completion and submittal of all required bid documents. The contract shall expire on the last day of the fifth year period.

2.5 OPTION TO RENEW FOR FIVE (5) ADDITIONAL YEARS

The initial contract prices resultant from this solicitation shall prevail for a Five (5) year period from the contract's initial effective date. Prior to, or upon completion, of that initial term, the County shall have the option to renew this contract for an additional Five (5) year period on a year-to-year basis.

SECTION 2
SPECIAL CONDITIONS

Continuation of the contract beyond the initial period, and any option subsequently exercised, is a County prerogative, and not a right of the bidder. This prerogative will be exercised only when such continuation is clearly in the best interest of the County.

Should the vendor decline the County's right to exercise the option period, the County will consider the vendor in default which decision shall affect that vendor's eligibility for future contracts.

**2.6 METHOD OF AWARD USING PRE-QUALIFICATION AND
SUBSEQUENT SPOT MARKET PROCEDURES**

Award of this contract will be made to all responsive, responsible vendors who meet the minimum qualifications set forth in this solicitation. Those qualifications are as follows:

- a. Bidders shall provide a letter from the manufacturer(s) on manufacturer's letterhead stating that the vendor is an authorized distributor of the OEM equipment, parts and accessories.
- b. Bidders shall maintain a qualified company representative(s) who can be contacted during regular work hours to discuss matters pertaining to this contract to include Engineering, Application and Technical Services.
- c. Bidders shall provide at least three reference letters from clients stating the type of equipment and service provided.
- d. Bidders shall have an e-mail address and/or a dedicated Facsimile (Fax) machine available twenty-four (24) hours a day to expedite quotes.

These vendors shall then be deemed to be pre-qualified to participate in subsequent spot market purchases as required by the County on either an as-needed or on a periodic basis. When such spot market purchases are initiated, the pre-qualified vendors shall be invited to offer a fixed price for a specific individual purchase, or a specific purchasing period. The vendor then offering the lowest fixed price shall be awarded for the specific period or specific purchase. The award to one vendor for a specific period or individual action does not preclude the remaining pre-qualified vendors from submitting spot market offers for other specific purchases.

It shall be the sole prerogative of the County as to the number of vendors who will be initially included under this contract. During the term of this contract, the County reserves the right to add or delete vendors as it deems necessary in its best interests. If the County elects to add vendors, they must meet the same minimum qualifications established for the original competition.

Spot market pricing procedures may be initiated by either the using County department or by DPM. In general, written spot market quotes will be gathered from at least four (4) vendors whenever possible. The quotation procedures specific to this contract are as follows:

SECTION 2
SPECIAL CONDITIONS

Procedure for Spot Market Quotes

- A. Spot market pricing procedures may be initiated by either the using County department or by DPM. Written spot market quotes will be solicited from all vendors within the pool.
- B. Price quote(s) submitted by pre-qualified vendors shall be itemized to include equipment, and any other items identified by the County in the request for quote.
- C. The responsive, responsible vendor offering the lowest price meeting the specifications of the quote shall be awarded. The vendor may be included in the next spot market quotation.
- D. Purchases of an urgent or emergency nature shall be based upon availability of materials and geographic location of the vendor. In the best interest of the County, for items either delivered by the vendor(s) or picked-up from the vendor(s) location by authorized County personnel, the availability of material, geographic location, and/or delivery time may be utilized as deciding factors for the basis of an award to a vendor when it is determined by a County department that a project is time sensitive to meet pre-established deadlines or it is an emergency situation.

2.9 OEM EQUIPMENT, PARTS AND ACCESSORIES REQUIRED:"EQUAL" PRODUCT MAY BE REQUESTED

Requests for quotation will be for OEM Equipment, Parts, and Accessories unless otherwise specified in the request for quotation. If an "equal" product is requested, the bidder shall supply the County with a cross-index showing the OEM part number and the "equal to" part number with their bid submittal. All reconditioned items shall be identified as such and have the approval by the manufacturer. All parts used in the reconditioning process shall be of OEM origin as recognized by the manufacturer. Reconditioned items shall be approved by the departmental authorized representative prior to being used in any repair or maintenance. Failure of the bidder to provide the information requested by the department will disqualify the bidder's submittal.

If an "equal" product is to be considered by the County in accordance with the Bid Submittal Form, the unit shall be equal in quality and standards of performance to the item specified in the quotation. Also for product information submittals, all supporting documentation submitted by the offeror must in total meet the required specifications set forth in this

solicitation. Where the standard product literature submitted with the offer provides information that does not comply with the specifications, the offeror shall state, in an official letter on corporate letterhead as part of their initial offer, the differences between the item they are specifically offering, and the equipment described by the standard product literature, to substantiate compliance to all of the specifications set forth in this solicitation. In such cases, any offer submitted with standard product literature but without the letter explaining compliance may result in the rejection of the offer for not meeting the solicitation specifications.

If samples of all “or equal” items bid are required for evaluation, such items are to be provided at no cost to the County, and should be submitted with the initial offer, or at the time of specific request. Failure to meet this requirement may result in your offer being rejected. The County may at its sole option and in its best interest allow the bidder(s) to supply the above documentation to the County during the bid evaluation process.

For “equal” products to be evaluated based on submission of product labels, the initial offer should be accompanied with labels indicating the specification and ingredients for each “or equal” item offered. Failure to meet this requirement may result in your offer being rejected.

The County shall be sole judge of equality, based on the best interests of the County, and its decision in this regard shall be final. Items labeled "No Substitute" on the County's Bid/Proposal Submission Form are the only products that will be accepted under this solicitation.

Pursuant to Miami-Dade County Budget Ordinance No. 03-192, this contract is subject to a user access fee under the County User Access Program (UAP) in the amount of two percent (2%). All sales resulting from this contract, or any contract resulting from this solicitation and the utilization of the County contract price and the terms and conditions identified herein, are subject to the two percent (2%) UAP. This fee applies to all contract usage whether by County Departments or by any other governmental, quasi-governmental or not-for-profit entity.

The vendor providing goods or services under this contract shall invoice the contract price and shall accept as payment thereof the contract price less the 2% UAP as full and complete payment for the goods and/or services specified on the invoice. The County shall retain the 2% UAP for use by the County to help defray the cost of the procurement program. Vendor participation in this invoice reduction portion of the UAP is mandatory.

Joint Purchase

Only those entities that have been approved by the County for participation in the County's Joint Purchase and Entity Revenue Sharing Agreement are eligible to utilize or receive Miami-Dade County contract pricing and terms and conditions. The County will provide to approved entities a UAP Participant Validation Number. The vendor must obtain the participation number from the entity prior to filling any order placed pursuant to this section. Vendor participation in this joint purchase portion of the UAP, however, is voluntary. The vendor shall notify the ordering entity, in writing, within 3 work days of receipt of an order, of a decision to decline the order.

For all ordering entities located outside the geographical boundaries of Miami-Dade County, the successful vendor shall be entitled to ship goods on an "FOB Destination, Prepaid and Charged Back" basis. This allowance shall only be made when expressly authorized by a representative of the ordering entity prior to shipping the goods.

Miami-Dade County shall have no liability to the vendor for the cost of any purchase made by an ordering entity under the UAP and shall not be deemed to be a party thereto. All orders shall be placed directly by the ordering entity with the vendor and shall be paid by the ordering entity less the 2% UAP.

Vendor Compliance

If a vendor fails to comply with this section, that vendor may be considered in default by Miami-Dade County in accordance with Section 1, Paragraph 1.23 of this bid solicitation and the resulting contract.

SECTION 2
SPECIAL CONDITIONS

2.22 COMPLIANCE WITH FEDERAL STANDARDS

All items to be purchased under this contract shall be in accordance with all governmental standards, to include, but not be limited to, those issued by the Occupational Safety and Health Administration (OSHA), the National Institute of Occupational Safety Hazards (NIOSH), and the National Fire Protection Association (NFPA).

2.23 ACCEPTANCE OF PRODUCT BY THE COUNTY

The product(s) to be provided hereunder shall be delivered to the County, and maintained if applicable to the contract, in full compliance with the specifications and requirements set forth in this contract and the Request for Quotation. If a vendor-provided product is determined to not meet the specifications and requirements, either prior to acceptance or upon initial inspection, the item will be returned, at vendor's expense, to the vendor. At the County's own option, the vendor shall either provide a direct replacement for the item, or provide a full credit for the returned item. The vendor shall not assess any additional charge(s) for any conforming action taken by the County under this clause.

The vendor shall be responsible for filing, processing, and collecting all damage claims against the shipper.

2.24 PACKING SLIP/DELIVERY TICKET TO ACCOMPANY ITEMS DURING DELIVERY

The vendor has no liability when such claim is solely and exclusively due to the combination, operation, or use of any article supplied hereunder with equipment or data not supplied by vendor, or is based solely and exclusively upon the County's alteration of the article. The purchaser will provide prompt written notification of a claim of copyright or patent infringement.

SECTION 2
SPECIAL CONDITIONS

Further, if such a claim is made or is pending, the vendor may, at its option and expense, procure for the purchaser the right to continue use of, replace or modify the article to render it non-infringing. (If none of the alternatives are reasonably available, the County agrees to return the article on request to the contractor and receive reimbursement, if any, as may be determined by a court of competent jurisdiction.) If the vendor uses any design, device, or materials covered by letters, patent or copyright, it is mutually agreed and understood without exception that the contract prices shall include all royalties or cost arising from the use of such design, device, or materials in any way involved in the work.

2.26 DEMONSTRATION OF EQUIPMENT MAY BE REQUIRED DURING EVALUATION

After receipt of offers by the County, the vendors may be required to demonstrate their specifically offered equipment to cognizant County personnel, at no separate cost. The purpose of this demonstration is to observe the equipment in an operational environment and to verify its capability, suitability, and adaptability in conjunction with the performance requirements stipulated in this solicitation. If a demonstration is required, the County will notify the vendor of such in writing and will specify the date, time and location of the demonstration. If the vendor fails to perform the demonstration on the specified date stipulated in the notice, the County may elect to reject that vendor's offer, or to re-schedule the demonstration, whichever action is determined to be in the best interests of the County. The County shall be the sole judge of the acceptability of the equipment in conformance with the specifications and its decision shall be final.

The equipment used for the demonstration shall be the same as the manufacturer's model identified in the vendor's offer. Accordingly, the equipment used in the demonstration shall create an express warranty that the actual equipment to be provided by the vendor during the contract period shall conform to the equipment used in the demonstration. The vendor shall be required to provide adequate restitution to the County, in the manner prescribed by the County, if this warranty is violated during the term of the contract.

2.27 ADDITIONAL MANUFACTURING LINES MAY BE ADDED
